

Color
#FEDBE4
#FDB7C8
#FC93AD
#FB6F92
#BC536D
#7D3749
#3F1C24

Type	Scale(1,2)	Size	Line spacing
Heading1	96px	1.5	
Heading2	64px	0.5	
Heading3	32px	0.5	
Text1	24px	1.5	
Text2	20px	0.5	

Design Guidelines

1. Color Palette

a) Primary Colors

#FEDBE4 (Light Pink)
#FDB7C8 (Darker Pink)
#FC93AD (Medium Pink)
#7D3749 (Dark Pink)

Use primary colors for backgrounds, large elements, and branding elements.

b) Secondary Colors

#BC536D (Accent Pink)
#7D3749 (Deep Pink)
#3F1C24 (Darkest Pink)

Use Secondary colors for accents, calls to action, and to add visual interest.

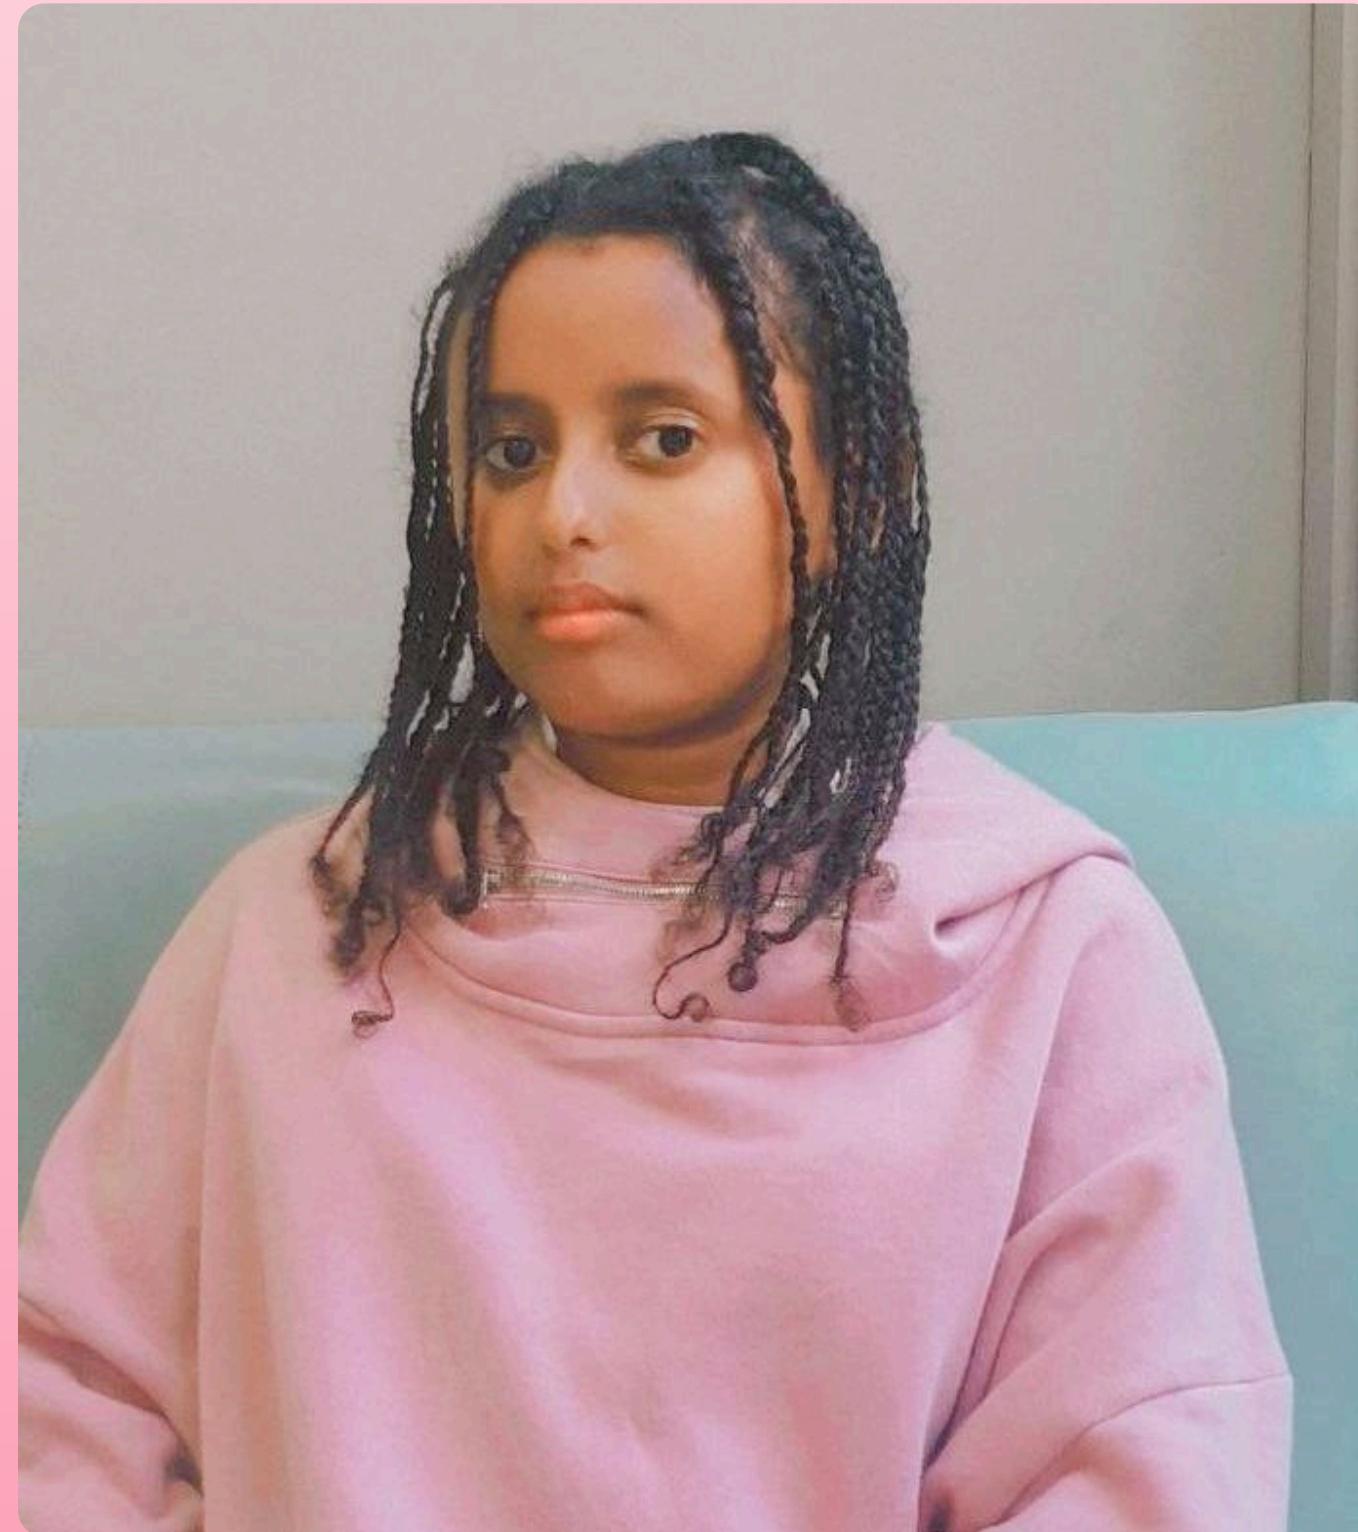

2. Typography

Type 1: Heading 1: 96px, Line Spacing: 1.5
Heading 2: 64px, Line Spacing: 0.5
Heading 3: 32px, Line Spacing: 0.5
Text 1: 24px, Line Spacing: 1.5
Text 2: 20px, Line Spacing: 0.5

Type 2: Heading 1: For primary titles and page headers.
Heading 2: For secondary titles and section headers.
Heading 3: For subheadings and smaller titles.
Text 1: For body text and paragraphs.
Text 2: For captions, and small details.

3. Components Usage

Use these components consistently throughout the design system for navigation, actions, and content organization.

Hello! I am Yordanos Abay.

A Software Engineer

A software Engineer and a front-end developer from Addis Ababa, Ethiopia.

About me

My name is Yordanos Abay. I am a dedicated software engineer mainly a front end developer, with strong passion of delivering the best. I have dedicated my self, to exploring the nexus of creativity and technology, motivated by a love of invention and problem-solving. With a strong foundation in HTML, CSS and JavaScript, I have developed my ability to create websites that are both aesthetically pleasing and easy to use. In addition to captivating people, my goal is to develop seamless web experiences that offer them useful information and services.

Birthday: 12 March 2004

Age: 20

Phone: +251960370216

Degree: Bachlor

City: Addis Ababa, Ethiopia

Email: yordabsa@gmail.com

In addition to my technical skills, My identity is defined by my self-determination, optimistic outlook, constant dedication, and kindness. I am a quick learner and always prepared to collaborate with others. I enjoy exchanging experiences and always improving my abilities. Web and software development is a dynamic field, and it is in my best interest to adapt to the changes through teamwork and ongoing education. I strive to create cohesive and impactful digital experiences.
